

22nd Dec 2022

NEWS FROM...

OUR LADY QUEEN OF PEACE

We can't believe how quickly this year has flown by. As we say goodbye to 2022 and look forward to 2023, I would like to say a huge thank you to all our families for their ongoing support and generosity—working together we achieve so much more for our wonderful children.

This term, it has been lovely to be able to return to normality. We have had a fantastic autumn term, packed with many activities and events for our children that have complemented their learning. Our children have fabulous attitudes to learning and have made the most of every opportunity. It was a joy to see the return of Christmas performances and I am sure you will agree that our children certainly shone like stars—we have so many talented and confident performers in our school, from the youngest little people in Nursery to the old folks of Year 6! Well done to all our children, we are very proud of them—they have worked incredibly hard this term and have earned a well deserved rest.

I would like to thank the staff for their hard work and dedication this year—they really do go over and above to provide the best possible school experience for the children and I am proud to work with such a dedicated and positive team.

I wish all our children and their families a very Merry Christmas and best wishes for 2023. I hope you all have a restful holiday filled with joy and peace.

J McGill
