

Our Lady Queen of Peace Community News

November 2022

Next Friday—non-uniform in support of Children In Need. Children can wear pyjamas or ‘spots’ in exchange for a £1 donation.

Christmas jumper Swap Shop

We are collecting pre-worn Christmas jumpers and tops for a ‘swap shop’ later this term. If your child has a Christmas jumper or top that they have grown out of, please send it into school between now and **2nd Dec**. After that, will be hosting a couple of Advent coffee mornings when you will be able to come into school and select one for your child from the swap shop.

School uniform Swap Shop

Penshaw Community Centre collects school uniform that children have grown out of and this is available to parents free of charge. Parents can also donate school uniform to the swap shop—please bring to the school office. The community centre is open **5 days a week between 10am and 4pm**.

Reverse Advent Calendar

During Advent, each class will be collecting items to donate to the foodbank in the form of a hamper. Each child will be given a day on which to bring something in. Items do not need to cost much and if you feel unable to donate, there will be spares in the office that children can collect.

Christmas Chocolate Raffle

On **Friday 2nd December**, we will be having a non-uniform day in exchange for a donation towards our Christmas chocolate raffle. All donations, large or small, will be gratefully received. Just send into school on the day.

Thank you in anticipation of your generosity and support.

Thank you for your ongoing support and cooperation with car parking at drop off and collection times. It seems to be running much more smoothly. Don't forget, you can drop your child at the end of the path; there is no need to walk them through the yard as there are always members of staff on hand to supervise and ensure that they get in safely. Please do not park on the sides of the road next to the zig-zag lines as this obstructs the view of drivers pulling out from the car park. There are usually spaces in the car park which are much closer and safer.
